

TOPIC

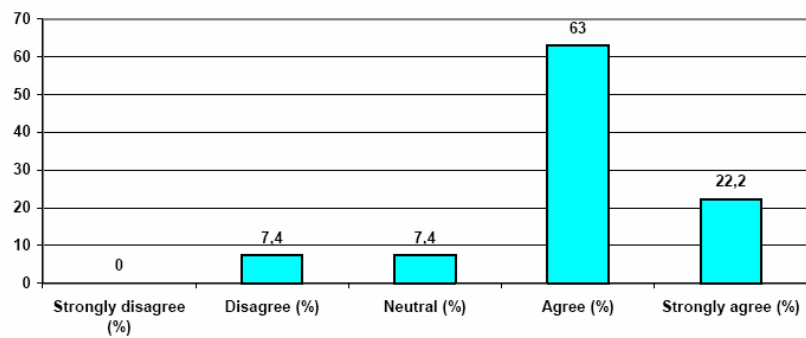

The topic of the SAC is directly relevant to my academic and research interest

Studying this topic is crucial in improving my knowledge

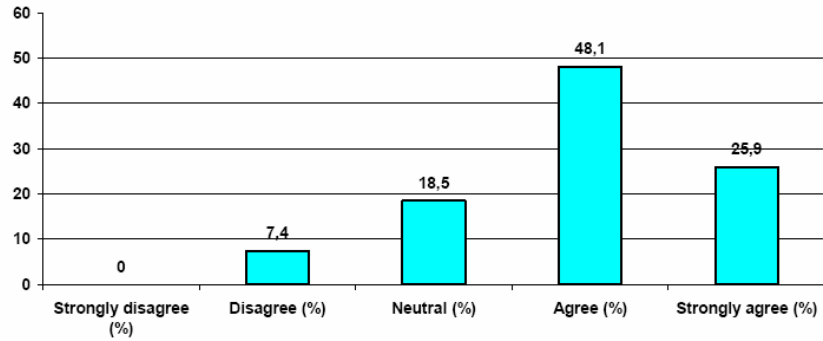

The interpretation of the topic was comprehensive, unbiased and constructive

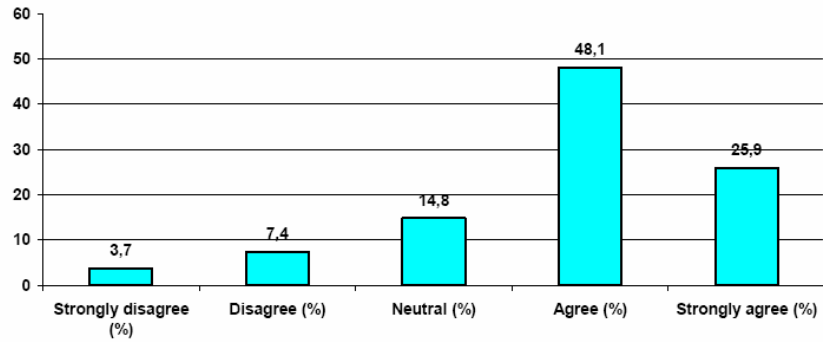

PARTICIPANTS

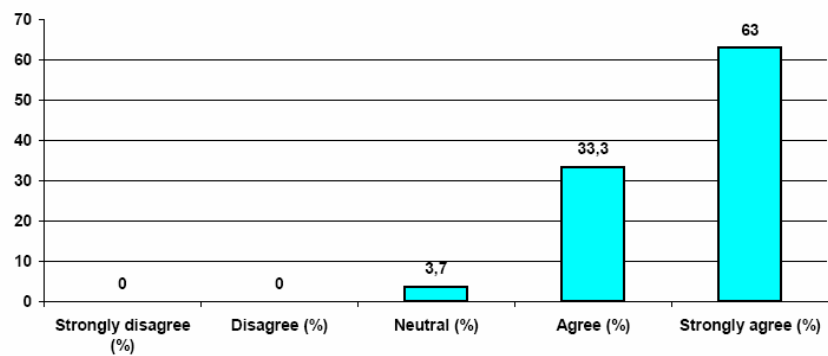

Participants were carefully selected based on their interest and ability to contribute to the discussion

All participants showed high motivation to use the opportunities of professional development

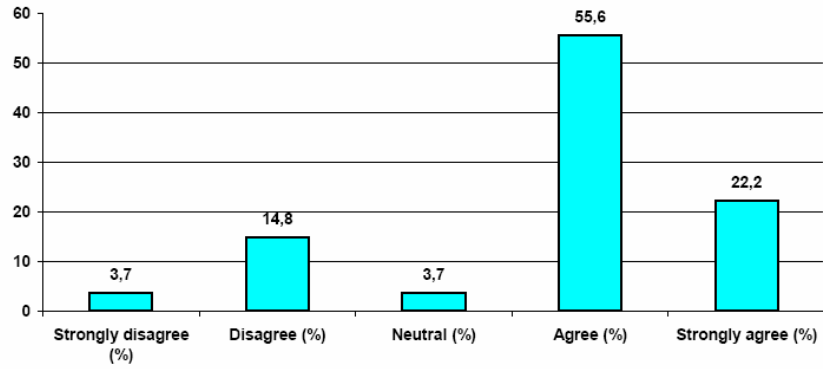

I would like to maintain strong professional links with most of the participants

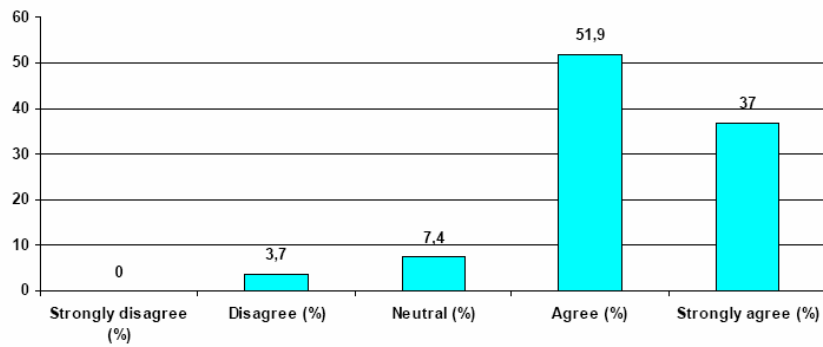

LANGUAGE

All participants were proficient in the working language

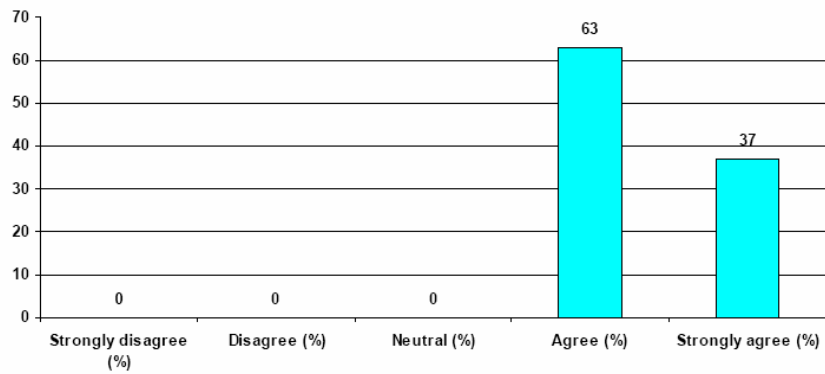

The language of the study materials did not pose any difficulty in working with them

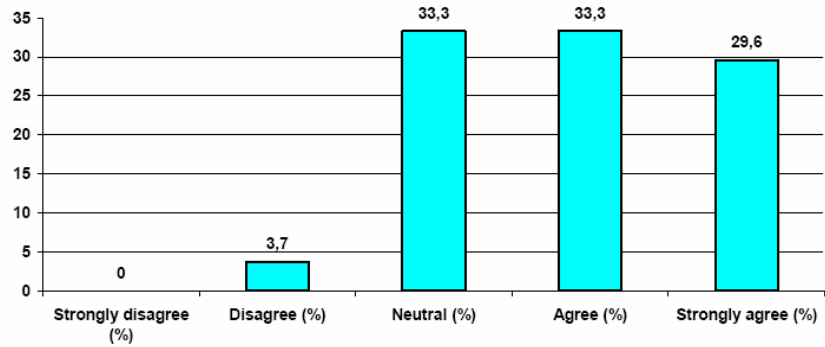

PROGRAM

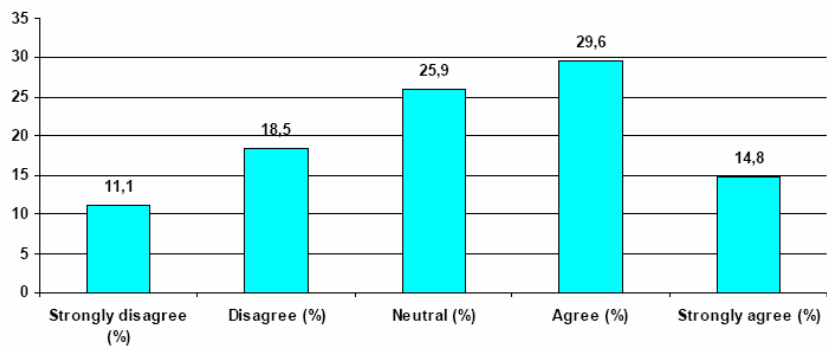

The program of the SAC was relevant to its goals

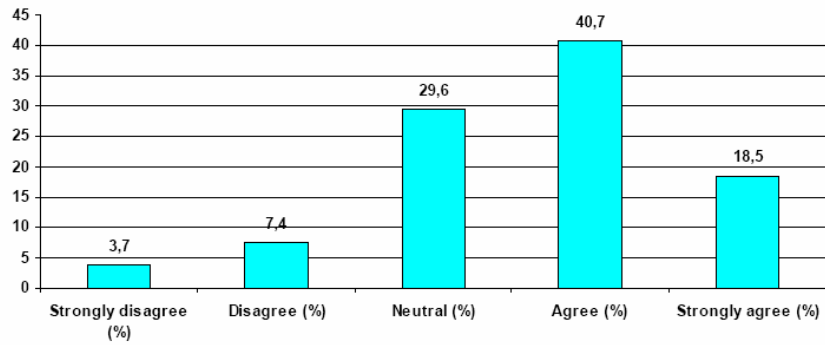

The extracurricular activities were versatile, interesting and contributed well to the core activity of the SAC

The schedule allowed enough time to complete assignments and engage in independent projects

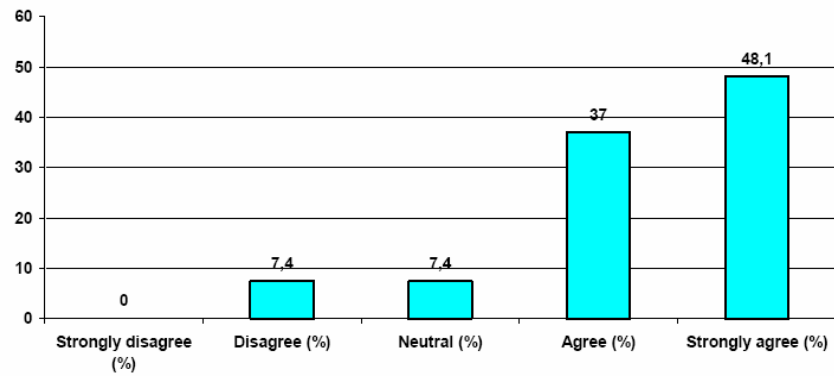

The program provided ample opportunity for social interaction and relaxation

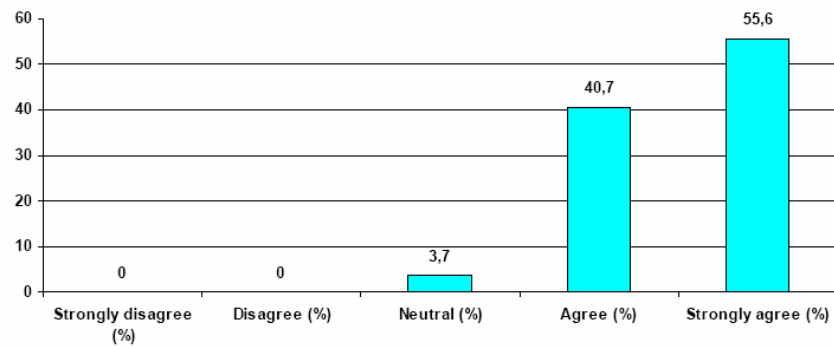

VENUE

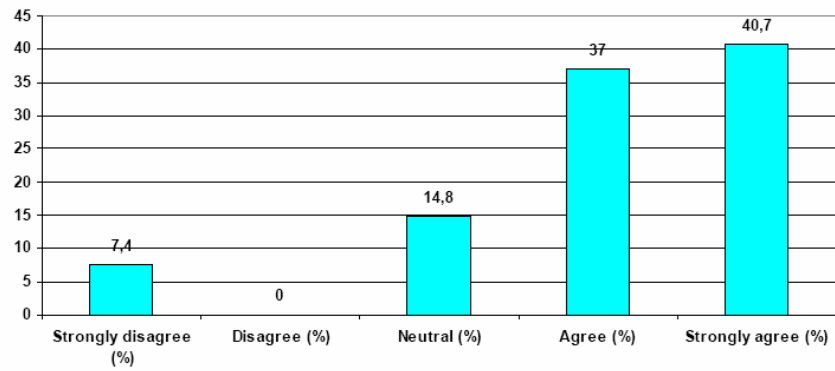

The venue for the SAC was adequate and comfortable

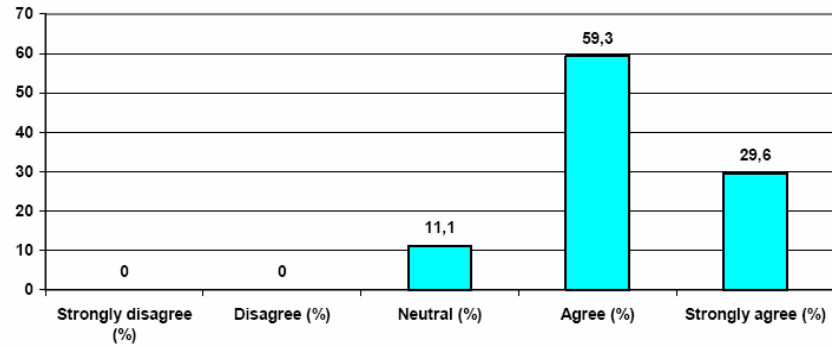

The equipment, resources and space provided at the SAC were sufficient and facilitated learning

The venue was a comfortable place for recreation

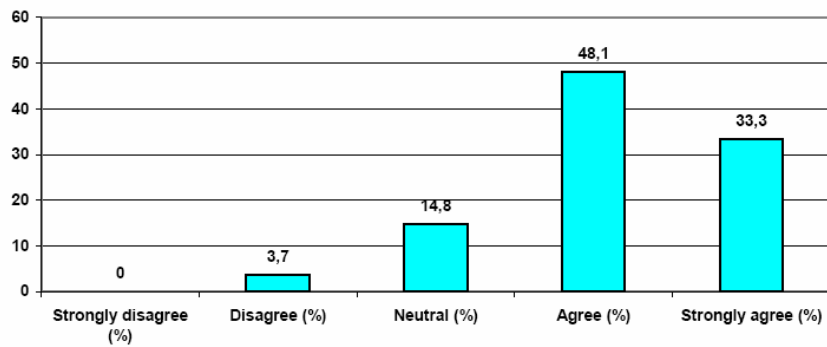

Organizers provided everything necessary to make this SAC a valuable learning experience for participants

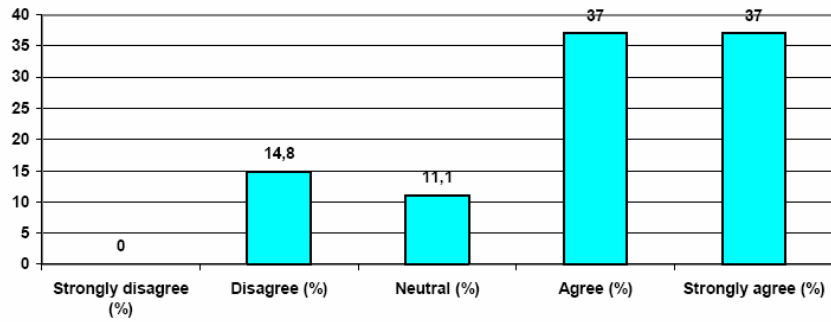

ORGANIZATION

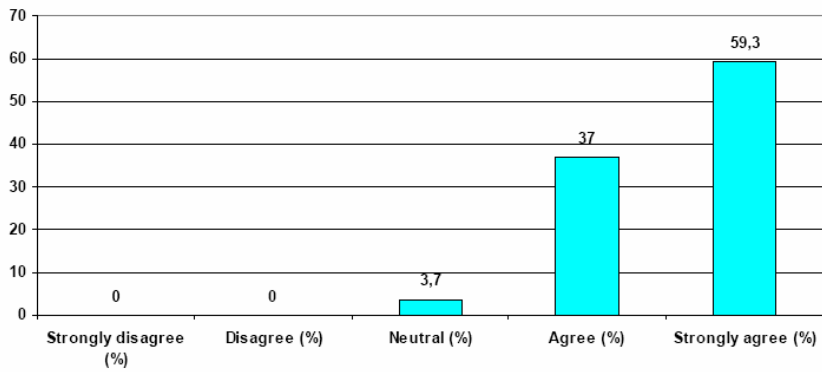

Communication with the course director before and during the SAC was prompt and helpful

Participants received syllabi of courses, reading materials and assignments in ample quantity and in good time to prepare for the classes

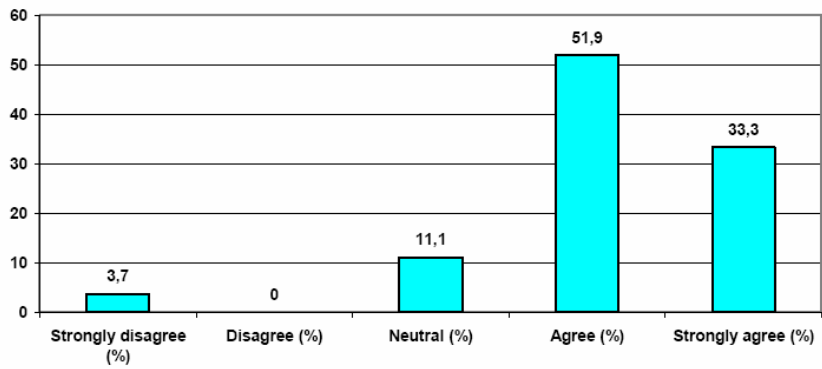

I will recommend this school to my colleagues

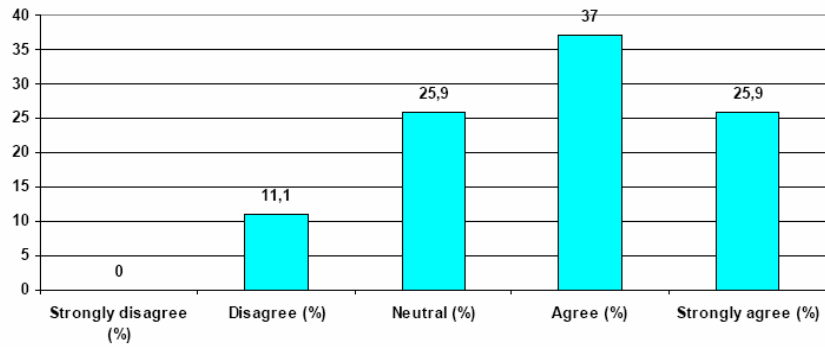

IMPACT

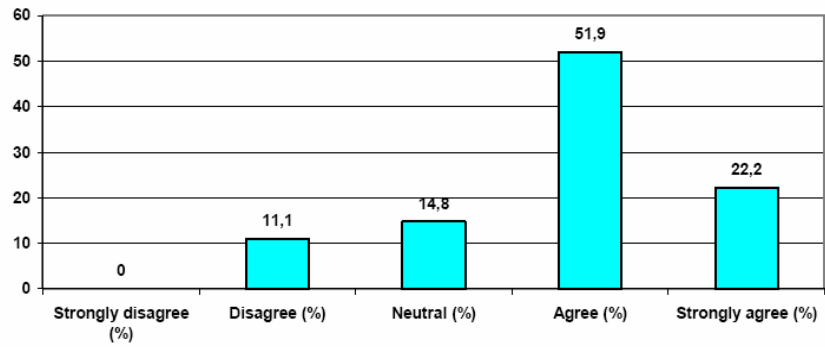

Participation in the SAC will greatly enrich the contents of my work

I observed and learned many new teaching methods and will work to incorporate them in my work

The materials offered at the SAC were not otherwise known to me. I will be using many of them in my future work

I feel enthusiastic and confident about using the new knowledge and experience received at the SAC in my work
